## Memorandum

**To:** Red Lot 63 Permit Holders  
**From:** Michael Brennan, Parking Services  
**Date:** December 28, 2009  
**Subject:** Red Lot 63 Parking Changes

Beginning Monday, January 18, 2010, the west section of Red Lot 63, located on Thatcher Road, will be closed due to the New Science Building construction project. Parking Services is immediately converting a student Purple Lot 49 south of the Chancellor's house, to a Blue Lot 29 – 24 hour/day enforced lot. Please contact Parking Services if you would like to change your parking location to Blue Lot 29, or any other available parking lot.

The next phase of the New Science Building project will then remove the east section of Red Lot 63. This will take place approximately in June 2010. During the spring 2010, the University Apartments will be demolished and a parking lot will be constructed. This lot will be designated as Red Lot 52, which will accommodate the loss of the east section of Red Lot 63.

Please see the attached map which illustrates the new parking lots.

For more information about this project, please visit the Facilities and Campus Planning website at [www.umass.edu/fcp/](http://www.umass.edu/fcp/). As the project progresses, information shall be periodically sent out concerning any changes and/or updates.

Please contact Parking Services at 413-545-0065 if you have any questions regarding this information.

Thank you.
